

# Educator-Scientist Concept Mapping Workshop

University of New Hampshire - Durham, NH - March 2009

## Educator Backgrounds

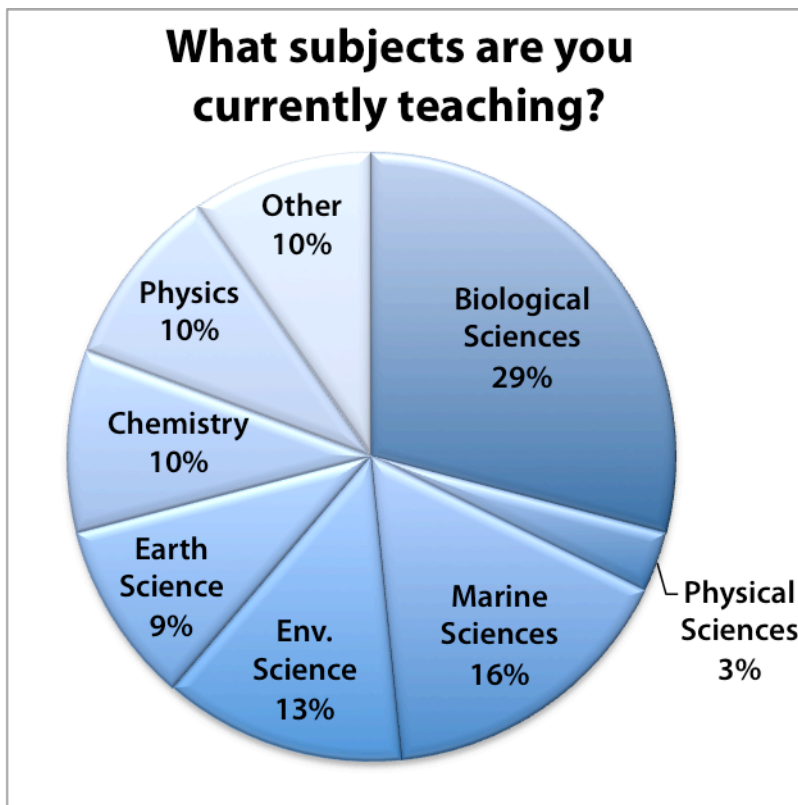

Attending this workshop were 12 formal educators from New England. The majority of educators had over ten years experience, and, as a group, they teach a wide variety of subjects, including marine sciences, environmental science, biology, physics and chemistry.

The data presented above were collected by COSEE-Ocean Systems for research purposes in conjunction with University of New Hampshire Educator-Scientist Concept Mapping Workshop (June 2009). These data or results should only be cited or used with the consent of COSEE-OS (please contact Annette deCharon at [annette.decharon@maine.edu](mailto:annette.decharon@maine.edu)).
